

# Safety Data Sheet (SDS)

Control slides and Cell Microarray (CMA) Block

## 1. Product and Company

Product Name:	Control Slides Cell Microarray Block	Manufactured for:	cancercontrols.com Precision Lab Supplies, LLC Tucson, Arizona, USA Email: support@cancercontrols.com
---------------	-----------------------------------------	-------------------	----------------------------------------------------------------------------------------------------------------

## 2. Composition, Ingredients Information

Hazardous Ingredients:	The cell lines have been fixed and are therefore non-viable. This product does not contain any substances presenting a health hazard within the meaning of the Dangerous Substances Directive 67/548/ECC.
Paraffin wax:	CAS#: 64742-4-34

## 3. Hazard Identification

Substance is not classified as a hazardous substance according to Regulation (EC) No.1272/2008.  
Substance is not classified as dangerous according to Directive 67/548/EEC.  
In accordance with EC directives, the product does not need to be labelled.

## 4. First Aid Measures

General information:	No special measures are required.
Ingestion:	Immediately rinse mouth with water if person is conscious. Consult a physician in case of complaints.
Skin contact:	Product does not cause irritation. Wash thoroughly with soap and water as a precaution.
Eye contact:	As a precaution flush eyes with eyewash, if unavailable use water.
Inhalation:	Move person to fresh air. Consult a physician in case of complaints.

## 5. Fire Fighting Measures

Suitable extinguishing media:	H2O, CO2 or dry chemical powder
Special hazards arising from the substance:	None known
Fire hazard:	None known.
Protective equipment:	No special measures required

# Safety Data Sheet (SDS)

Control slides and Cell Microarray (CMA) Block

## 6. Accidental Release Measures

Personal precautions:	None required
Environmental precautions:	No special measures required
Methods of containment and cleaning up:	Sweep up, place in a bag and dispose of appropriately. See section 13.

## 7. Handling and Storage

Precautions for safe handling:	No special measures required
Storage:	Store at 4°C.
Specific end use(s):	No data available

## 8. Exposure Controls, Personal Protection

Control parameters:	Contains no substances with occupational exposure limit values.
General precautions:	The usual precautionary measures should be adhered to when handling laboratory materials. Wash hands after use.
Skin protection:	Not required under normal conditions, adhere to good laboratory practice.
Eye protection:	Not required under normal conditions, adhere to good laboratory practice.
Respiratory protection:	Not required.

## 9. Physical and Chemical Properties

Appearance:	Physical state: Solid	Color: White
pH:	No data available	
Melting point/Boiling point:	50-60 oC	
Flashpoint:	N/A	
Explosive properties:	Product does not present an explosive hazard.	
Oxidising properties:	No data available	
Vapour pressure:	No data available	
Relative density:	No data available	
Water solubility:	Not soluble in water	
Fat solubility:	No data available	
Partition coefficient: n-octanol/water:	No data available	
Viscosity:	No data available	
Vapour density:	No data available	
Evaporation rate:	No data available	
Other information:	No other information is available

# Safety Data Sheet (SDS)

Control slides and Cell Microarray (CMA) Block

## 10. Stability and Reactivity

Stability:	Stable
Conditions to avoid:	No data available
Materials to avoid:	No data available
Possible hazardous reactions	No dangerous reactions known
Hazardous decomposition products:	No dangerous decomposition products known

## 11. Toxicological Information

Acute toxicity:	No data available	Potential health effects:	
Corrosiveness/ irritation:	No data available	Ingestion:	Maybe harmful if swallowed
Respiratory/Skin sensitization:	No sensitizing effects known	Skin contact:	No irritant effect known
Repeated-dose toxicity:	No data available	Eye contact:	May cause eye irritation
Mutagenicity:	No data available	Inhalation:	May cause respiratory
Carcinogenicity:	No data available		
Reproductive toxicity:	No data available		
Specific target organ toxicity	No data available		

## 12. Ecological Information

Toxicity	No data available
Mobility	No data available
Persistence and degradability	No data available
Bioaccumulative potential	No data available
Other adverse effects	No data available

## 13. Disposal Consideration

Contact a licensed professional waste disposal service and dispose of by incineration.  
Observe all federal, state and local environmental regulations.

## 14. Transportation Information

The product is non-hazardous for transport.

# Safety Data Sheet (SDS)

Control slides and Cell Microarray (CMA) Block

## 15. Regulatory Information

---

This safety data sheet complies with the requirements of Regulation (EC) No. 1907/2006

Health, safety and environmental regulations/legislation specific for the substance or mixture:

No data available

Chemical safety assessment:

No data available

Precision Lab Supplies, LLC, d/b/a cancercontrols.com shall not be held liable for any damage resulting from handling or from contact with the above product. To the best of our knowledge the information in this document is correct.
